**Graduation Requirements Summary** 

	Minimum Total Hours	Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Overall GPA
ſ	120	24	54-66	32-44	2.000

- 1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- 4. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- 5. A Religious Studies course list may be found at on the **Bulletin**.
- 6. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- 7. The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- 8. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.
- 9. RELG 488 may be taken in the spring semester prior to the senior year or in the spring of the senior year.

## **Program Notes:**

- Courses identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- Students have the option to complete an Intensive Major in Religious Studies. In addition to all of the Religious Studies degree requirements, students must complete: 1) an additional RELG course at the 300-level or above or, with advisor approval, a course that relates directly to the research path selected from anthropology, classics, history, languages, or philosophy, and 2) RELG 498, Advanced Project, in the senior year.
- Graduation "with Distinction" is an optional program of study, in which students actively engage in significant research, scholarship, and/or
  performance activities in collaboration with a faculty mentor within a chosen major. Graduation with Distinction for this program of study
  requires: 1) fulfillment of all requirements for the Intensive Major in Religious Studies, 2) a minimum major GPA of 3.75, and 3) a minimum
  cumulative GPA of 3.50.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.
