**Graduation Requirements Summary** 

Minimum Total Hours	Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Overall GPA
120	27	51-63	32-44	2.000

- 1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students who do not place into MATH 122 or 141 will be required to take the required prerequisite before proceeding with MATH 122 or 141.
- 4. Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- 5. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- 6. The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- 7. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- 8. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

## **Program Notes:**

- Courses identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- Graduation "with Distinction" is an optional program of study, in which students actively engage in significant research, scholarship, and/or performance activities in collaboration with a faculty mentor within a chosen major. Graduation with Distinction for this program of study requires: 1) overall GPA of 3.50 or higher and GPA of 3.50 or higher in the major; 2) successful completion of requirements for the Sociology major; 3) research proposal approved by faculty committee; 4) successful completion of 3-6 hours SOCY 599, including written and oral presentation of research project. Students who successfully complete these requirements will be awarded their degree with "Distinction in Sociology" upon graduation. A student seeking to graduate with "Distinction in Sociology" must select a faculty member to chair the committee that guides and evaluates the research project. At least two other faculty members will be appointed by the committee chair to serve as members of the committee. A written sponsorship agreement signed by the committee chair must be filed with the departmental chair. The student must successfully defend a research proposal and final paper to the committee. Ideally, the project should be finished within two semesters. Research projects must conform to the University's policy on the treatment of human subjects. Proposals must additionally be subjected to the scrutiny of the Department of Sociology ethics committee.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina.

**University Requirements:** Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.

Codes:							
CC	Carolina Core	CC-INF	Carolina Core – Information Literacy				
CC-AIU	Carolina Core-Aesthetic and Interpretive Understanding	CC-INT	Carolina Core – Integrative Course
