Graduation Requirements Summary

Minimum Total Hours	Minimum Major Requirements Hours	College & Program Requirements Hours	Carolina Core Hours	Minimum Institutional GPA
120	65	11-23	32-44	2.000

- 1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students in the German with Teaching Certification program must complete German language through 211 by the start of the second year in order to graduate in four years. If a student places out of GERM 210 and 211, a Humanities or Fine Arts course would be required in place of each as part of the College of Arts and Sciences curriculum.
- 4. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.

5. Required Education Courses (11 hours)

EDPY 401 Learners and the Diversity of Learning (3)	EDEX 491 Intro. to Inclusion of Stud. w/ Mild Disabilities* (2) (offered spring only)
EDTE 201 Issues and Trends in Teaching and Learning (3)	EDRD 500 Content Area Literacy PK-12 (3)

^{*}Students may substitute EDEX 523 Introduction to Exceptional Children, if needed due to scheduling conflicts with EDEX 491.

- 6. The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
- 7. GERM major requirements for the PK-12 Teacher Certification Concentration include: 1) GERM 515 Intro. to German Linguistics (tross-listed: LING 503); 2) three 300-level or above GERM courses; and 3) one GERM course at 220 or above. Only two GERM courses taught in English may apply to the major. German majors taking a course in English must do some of the readings in German. GERM 398 may be repeated with a different suffix, as topics vary.
- 8. German 400-level literature courses (3 hours)

Choose from the following:				
GERM 420 – Medieval German Lit. & Culture (3)	GERM 450 – German Lit. from 1871-1945 (3)			
GERM 430 – German Enlightenment & its Countercurrents (3)	GERM 460 – Post-War & Contemporary German Lit. (3)			
GERM 440 – German Lit. & Culture from 1800-1871 (3)				

- 9. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.
- 10. Internship A, Observation, involves the application of effective teaching techniques and organization of instructional settings in foreign languages for pre-K-12. The application to the Professional Program and Internship Application must be submitted to the College of Education by March 15 if Internship A will take place in the fall semester and by December 1 if internship A will take place in the spring semester. The application for certification must be submitted by April 15.
- 11. In Internship B, Student Teaching, students will apply methods of curriculum and assessment, professionalism, effective teaching, and organization of instructional settings in a foreign language classroom. Prior to starting Internship B, students must take a double-rated Oral Proficiency Interview and score advanced low (as required by NCATE). During Internship B, students must take the Praxis II Exam.

Program Notes:

- Courses identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- Normally, students pursuing the teacher certification concentration may apply 300 or higher level education courses and/or higher level FORL courses to the cognate. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- Application and admission to the professional program in education/internship are required for all majors seeking teacher certification. All teacher
 education candidates must adhere to all education policies and procedures related to clinical experiences and meet University and S.C. Board of Education
 requirements in order to be recommended for certification. Information is available from academic advisors or the College of Education, Office of
 Student Affairs, at 803-777-6732.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.
