## Graduation Requirements Summary

Minimum Total	Minimum Major	College & Program	Carolina Core Hours	Minimum
Hours	Requirements Hours	Requirements Hours		Institutional GPA
120	27	49-61	32-44	2.000

- 1. Regardless of individual course grades, students must maintain a minimum 2.000 cumulative GPA.
- 2. Some colleges require a minimum GPA for major courses. Courses indicated in this column are included in the major GPA for this program of study.
- 3. Students in the College of Arts and Sciences are required to demonstrate proficiency in one foreign language equivalent to the 122 course through course credit or the corresponding foreign language placement score.
- 4. The Carolina Core provides the common core of knowledge, skill and academic experience for all Carolina undergraduate students.
- The College of Arts and Sciences requires one U.S. History and one non-U.S. History course, both of which must be chosen from the approved Carolina Core GHS courses. Whichever is not fulfilled through the Carolina Core GHS requirement must be fulfilled through this college requirement.
  Political Science major courses include:
  - a. 1 course (9 hours) from 3 of the following fields:
    - i. American Politics
    - ii. Comparative Politics
    - iii. International Relations
    - iv. Political Theory
    - v. Public Administration
  - b. 6 courses (18 hours) from POLI 300 or above organized around 1-2 areas of emphasis with advisor approval
  - c. One of the following courses must be taken as part of the major requirements in order to fulfill the Carolina Core Integrative course requirement: POLI 315, POLI 36, POLI 361, POLI 368, POLI 370, POLI 374, POLI 451, POLI 462, or POLI 504.
- 7. The cognate is intended to support the course work in the major. The cognate must consist of twelve hours of courses at the advanced level, outside of, but related to the major. In place of a cognate, a student may choose a minor consisting of at least 18 credit hours of courses concentrated in one area that follow a structured sequence. A second major eliminates the minor/cognate requirement.
- 8. No courses of a remedial, developmental, skill-acquiring, or vocational nature may apply as credit toward degrees in the College of Arts and Sciences. The College of Arts and Sciences allows the use of the Pass-Fail option on elective courses. Further clarification on inapplicable courses can be obtained from the College of Arts and Sciences.

## **Program Notes:**

- Courses identified as "critical" must be completed in the student's first 60 semester hours of work in order for these courses to be credited toward graduation.
- Political Science majors may choose to complete an intensive major. In addition to the requirements for the Political Science major, Intensive majors must earn a minimum grade of B in all major courses, as well as complete the following: 1) an additional 6 hours of major coursework (approved by the major advisor); 2) POLI 499 Senior Thesis; 3) Demonstrate proficiency in one foreign language through the intermediate level.
- The Departmental Undergraduate Research Track is available to students majoring in political science who wish to participate in significant research activities of the major field in collaboration with, or under the supervision of, a faculty mentor. In addition to the requirements for the Political Science major, "B.A. with Distinction" majors must complete the following: 1) prerequisites of 3.60 major GPA and 3.30 cumulative GPA; 2) POLI 301 The Political Science Discipline, POLI 498 Research Experience, and POLI 499 Senior Thesis; 3) Public presentation of the Senior Thesis (at an annual meeting of the South Carolina Political Science Association, a regular or special session of the Political Science Research Workshop, sessions scheduled for the Political Science Awards Day activities, USC Discovery Day, or submission to a professional journal); 4) a written sponsorship agreement from the faculty mentor to be placed on file in the department or college office.
- Utilizing elective hours, many Political Science majors pursue an additional major and/or multiple minors to create a unique degree program that reflects their intellectual interests and future academic and/or professional goals.
- The last 30 credit hours toward your degree must be earned in residence at the University of South Carolina-Columbia.

University Requirements: Bachelor's degree-seeking students must meet Carolina Core (general education) requirements. For more information regarding these requirements, please visit the <u>Carolina Core</u> page on the University website.
