

Remember the Ribbon | The UofSC College of Pharmacy's chapter of the Student National Pharmaceutical Association cosponsored an HIV/STI on-campus testing event last month in partnership with University Health Services. [Read more](#)

FROM THE DEAN'S DESK

As 2021 ends, I find myself reflecting on our accomplishments and the challenges we have faced together. I recall being at Gamecock Park last January with faculty, students, and alumni as they delivered some of the first COVID-19 vaccines to our community. I remember the excitement as we once more held a live hooding ceremony for the Class of 2021 and then a white coat ceremony for the Class of 2025. Despite the circumstances, our faculty, staff, students, alumni and friends always do amazing things, and I am proud and grateful to serve our college each and every day. I wish each of you a wonderful holiday season and a very Happy New Year!

Julie M. Sease
Interim Dean

COP professor to lead participation in medication study

UofSC has joined the RAPID Alliance Medications 360 Study, aimed at transforming how medications and vaccines are delivered in the U.S.

Welcome to our newest alumna Erin Anderson, Ph.D.

Despite the challenges posed by a learning disability, Anderson persevered in her studies and received a R36 NIH Grant as a graduate student. Learn more about her path in the next issue of **Gamecock Pharmacist**, in mailboxes in January.
